

Product Benefits & Features

Perfectly bake even the largest batches

Less isn't always more, especially when it comes to delicious baked goodies. The XL Baking Tray is 20% larger than standard-sized baking trays, enabling you to turn out larger batches of sweet treats, with the satisfaction that every single one has been perfectly baked.

Perfectly even heat distribution

This oven comes with a high-performance ventilation system. A fan combines with the heating elements, ensuring perfectly even heat distribution.

Achieve the perfect spit-roast taste

The roasting function on this oven enables you to achieve the perfect roasting results - just as if you had used a turnspit.

Keep cleaning simple with this smooth, seamless oven interior

This oven's cavity has been designed with smooth seamless surfaces, making it simple to clean. There are no awkward joins, nooks or crannies to trap grease and dirt.

- Built-in oven
- Oven cooking functions: Bottom heat, Grilling, Grilling with turnspit, Light
- Anti fingerprint stainless steel
- Oven with turnspit
- High gloss enamel oven lining, easy to clean
- ISOFRONT® PLUS cool oven door
- Easy to clean door
- Electric oven ignition
- Thermocouple safety for the oven
- Cooling fan
- Trays supplied with the oven: 1 Cake tray aluminium
- Grids supplied with the oven: 1 Grill pan grid chromed wirework
- Electric cable length: 1.6 m

Product Specification

Product Installation	Built_In	Electronic Oven Control	No
Product Typology	BI_Oven_Gas	Cooking function top oven	Bottom, Grill, Grill + turnspit, Light
Product Classification	Core	Height total	594
Type	Single	Width mm	594
Installation	BI	Depth mm	569
Size	60x60	Built in depth mm	550
Oven Energy	Gas	Built in height mm	600
Cooking	Open Burner + Grill	Built in width mm	560
Cleaning top oven	Clean Enamel	Gas original	G20 (2H) 20 mbar
Cleaning bottom oven	No	Gas replacement 2	G30/G31 (3B/P) 30/30 mbar
Nø of cavities	1	Gas category	I12H3B/P
Design family	AEG	Frequency	50/60
Main colour	Stainless steel with antifingerprint	Voltage	220-240
Control Panel material	Stainless steel with antifingerprint	Required fuse (A)	16
Type of doors	1 Horizontal stripe, 2 Glasses	Cord length external	1.6
Type of handle	Metal	Total electricity loading (W)	70
Door type bottom oven	No	Max power gas (W)	4300
Door hinges	Drop Down Equilibrated, Drop Down Removable	Max power grill - Top Oven	1600
Drawer	No	Grill element power - Top Oven	1600
Control lamps	Power on	Stand-by power Electrical - Top Oven	0
Hob control	No	Lamp power - Top Oven	40
Type of timer min.	Minute Minder	Motor power - Top Oven	15
		Height net internal	0
